The Veterinary Record

Founded by WILLIAM HUNTING, F.R.C.V.S., in 1888

The JOURNAL of the BRITISH VETERINARY ASSOCIATION

VOLUME 85

July to December 1969

THE UNIVERSITY OF MICHIGAN
JAN 12 1971
MEDICAL LIBRARY

THE BRITISH VETERINARY ASSOCIATION
7 Mansfield Street, Portland Place, London, W.1.

Concordance of Pages with Issues

The following table gives a key to the dates of issue and page numbers of the 1969 volume of THE VETERINARY RECORD up to the end of December.

Pages	Date	No.
1-24	July 5	1
25-52	" 12	2
53-76	" 19	3
77-104	" 26	4
105-132	Aug. 2	5
133-180	" 9	6
181-206	" 16	7
207-234	" 23	8
235-266	" 30	9
267-294	Sept. 6	10
295-318	" 13	11
319-342	" 20	12
343-370	" 27	13
371-394	Oct. 4	14
395-422	" 11	15
423-450	" 18	16
451-478	" 25	17
479-502	Nov. 1	18
503-534	" 8	19
353-566	" 15	20
567-598	" 22	21
599-634	" 29	22
635-666	Dec. 6	23
667-700	" 13	24
701-728	" 20	25
729-756	" 27	26

INDEX TO VOLUME 85, 1969

Names and authors are printed in capitals. Entries for Abstracts, Correspondence, Digests, Parliamentary Questions and Reviews are indicated by the use of the use symbols (A), (C), (D), (P) and (R) respectively

A

British Equine Veterinary Association
Radiology of the horse. Kealy, J. K., 145
Some aspects of cryptorchidism in the horse. O'Connor, J. P., 145
Sheep Veterinary Society
Sheep farming in Ireland today and tomorrow. Daly, P. J., 146
Sheep management in Turkey and the Near East, Roberts, R. S., 145
British Veterinary Poultry Association
PRINCIPLES OF DISEASE CONTROL
Production of specified pathogen-free stock by management
— environment control. Cooper, D. M., 146
— eradication. Powell, D. G., 146
— medication. Oakley, R. G., 146
Irish Veterinary Association
Auto-immune haemoyltic anaemia in the horse. Collins, J. D., 148
Cardiographic findings in 1,000 horses. Glazier, D. B., 148
Equine hydatidosis. Hatch, C., 149
Intensively housed sheep and related veterinary problems. Powell, D. G., 149
Intensive management in relation to endoparasite infestation in lambs. Downey, N. E., 149
The use of hormones in increasing the reproductive performance of sheep. Crowley, J. P., 150
British Veterinary Zoological Society
Problems associated with the non-domesticated animals. KEYMER, I. F., BLACKMORE, D. K., JOLLY, D. W., *and* MANTON, M. J. A. 150
Some histological observations in the salmonidae associated with ulcerating skin lesions. Mawdesley-Thomas, L. E., 150
Society for the Study of Animal Breeding
Embryonic death in farm animals. Boyd, H., 151
Herd infertility: its diagnosis and treatment. Munro, I. B., 150
British Laboratory Animals Veterinary Association
Central mechanisms of pain. Wall, P. D., 152
Liver disease in laboratory animals. Lancaster, M. C., 151
Murine lymphocytic choriomeningitis. Skinner, H. H., *and* Knight, E. H., 152
Peripheral mechanisms of pain. Iggo, A., 153
Pulmonary disease in rats. Gellatly, J. B. M., 151
Society of Greyhound Veterinarians
Applied haematology of the greyhound. Cooper, H. L., 154
Duties of veterinary surgeons at greyhound racing tracks. Magill, R. I., 154
The rapid examination of pre-race samples of greyhounds' urine and some experience of its use. Smith, H., 153
Association of British Pharmaceutical Industries
Exporting—marketing and selling overseas. Brander, G. C., 157
Understanding feed additives. Comben, N., *and* Brown, D. R., 157
Society of Practising Veterinary Surgeons
Cattle advisory work. Wilson, H. C., 159

Implications for the British Veterinary Profession of joining the European Economic Community. Pasfield, J. A., 159, 568

British Small Animals Veterinary Association
Some aspects of feline dermatoses. Baker, K. P., 160
Some common diseases of budgerigars. Blackmore, D. K., 160
Uveitis in the dog and cat. Formston, C., 160

SYMPOSIUM: HELMINTHIASIS IN PRACTICE
Clinical bovine ostertagiasis. Armour, J., 162
Epidemiology of ostertagiasis. Michel, J. F., 162
Prevention and treatment of husk. Poynter, D., Peacock, R., *and* Menear, H. C., 163
SYMPOSIUM: MEAT AND MEAT HYGIENE
Drug and chemical residues in meat and fish. Kelly, W. R., 165
Factors affecting the tenderness of meat. Joseph, R. L., 164
Hygenic control of "on-the-rail" dressing of cattle carcases. O'Connor, P., 164
Laboratory control of meat products. Devereux, J. A., 164
Sources of salmonellae in poultry carcases. Timoney, J., 165

Pig Veterinary Society
Economic implications of preventive medicine in pig herds. Brook, A. B., Forsyth, I. D. W., *and* Heard, T. W., 169, 170
Recent work on nematodes in pigs. Taffs, L. F., 166
Trichuriasis. Jacobs, D. E., 166
Vomiting and wasting disease (Clinical aspects. Alexander, T. J. L., 166

British Cattle Veterinary Association
Intensive dairy husbandry with particular reference to the farmers' viewpoint. Jones, P. J., 167
Problems of building design. Clough, P. A., 167
INTEGRATION OF TEACHING OF CLINICAL SUBJECTS
Place of clinical instruction in veterinary education. Mitchell, B., 168
Provision and use of clinical material in the veterinary schools. Pinsent, P. J. N., 167

British Small Animal Veterinary Association
Clinical pathology and the practising veterinarian. Collins, J. D., 169
Method of intravenous anaesthesia for Caesarean operation and other surgery in the dog. Ellis T. H., 169
Radiographic examination of the canine carpus, tarsus and foot. Grimes, T. D., 168
Treatment of open wounds in the dog. Winstanley, E.W., 168
Antigenic ontogeny of *fasciola hepatica*. Dodd, K., 159
Approach to herd problems in pig farms. Maclean, C. W., 161
Bovine infertility. Nunn, W. R., 155
B.V.A./Kennel Club progressive retinal atrophy scheme. Barnett, K. C., 165
Brucellosis eradication in the Republic of Ireland. O'Farrell, J. D., *and* O'Reilly, D. J., 147
Calf scours. Norman, J. A., 144
Development trends in the pig industry in Europe. McFarland, A. G., 158
Diagnostic services for the practitioner: large animals. Loosmore, R. M., 163
Diagnostic services for the practitioner: small animals, Crighton, G. W., 164
Diseases of the nervous system of sheep. Stamp, J. T., 156
Infectious laryngotracheitis (I.L.T.). Purcell, D. A., 157
Involvement of milk in the spread of foot-and-mouth disease. Dawson, P. S., 148
Nervous diseases of the pig (Film). McErlean, B. A., 154
Observations on gastric ulceration in the pig. O'Brien, J. J. 158
Place of dry cow therapy in mastitis control. Pearson, J. K. L., *and* Wright, C. L., 144
Problems in the investigation of placental function. Evans, J. A., 156
Recent advances in our knowledge of iron deficiency anaemia in piglets. Hannan, J., 155
Use of certain metabolic parameters in the pig. Wilson, G. D. A., 155
Vaccination of cattle with killed 45/20 adjuvant vaccine. Cunningham, B., 147
Vascular surgery. Gleeson, L. N., 163
Virus pneumonia in calves. Phillip, J. I. H., 144
Water pollution—a veterinary problem. Hirsch, E. A., 156
